## ORDER

1. Kerala State electricity Regulatory Commission (KSERC) vide order dated 05.04.2010 had imposed power restriction to all HT/EHT consumers including Bulk supply to other licensees and LT consumers of the State w.e.from 01.04.2010. Board vide order read as 1<sup>st</sup> paper above has imposed the restriction as ordered by KSERC.
2. KSERC vide their order read as 2<sup>nd</sup> paper above has ordered that the power restriction shall not be extended beyond 31.05.2010. The Chief Engineer (Commercial & Tariff) vide note read as 3<sup>rd</sup> paper above has placed KSERC order before the Board for compliance and further orders. The Chief Engineer has further reported that necessary instructions have to be issued to all the field offices, Special Officer (Revenue) and Director (IT & SPIO) for not billing the excess consumption @ Rs.7.25/unit for the consumption w.e.from 1<sup>st</sup> June 2010. In the case of LT monthly-billed consumers, HT & EHT consumers and Licensees, the bills shall be raised as usual without charging the excess consumption for their consumption w.e.from 01.06.2010. But, in the case of bi-monthly billed consumers, the demand raised from 1<sup>st</sup> June to 30<sup>th</sup> July-2010 shall consists a part of the excess energy consumed during the restriction period (during April and May 2010) and this pro- rata excess energy consumption shall be billed @ Rs.7.25/unit. In order to simplify the billing procedure, a multiplication

factor is also proposed for arriving the pro rata excess consumption, to be billed with the weighted average rate of Rs. 7.25/unit.

3. Having considered the recommendation of the Chief Engineer (Commercial & Tariff), Board hereby accords sanction to:
- (a) implement KSERC order dated 31.05.2010 to withdraw power restrictions to the HT-EHT and LT consumers of KSEB and other Licensees with effect from 01-06.2010.
  - (b) instruct all the field offices, Special Officer (Revenue) and Director (IT & SPIO), to comply the KSERC order dated 31.05.2010
  - (c) direct the field offices to bill the pro rata excess consumption as per the billing procedure and multiplication factor in the table given in the annexure to the order..
