Order

During Discussion on Demands in Kerala legislative Assembly during 2008-09 the Government had assured that special priority will be given for electric connection to residence of students who are attending public examination.

Board after considering the issues in detail, decided to authorise Deputy Chief engineers of Electrical Circles to sanction special priority for Weather Proof service connections and also service connections requiring line extension up to and including 235 metres (200 metres OH + 35 metres WP), for domestic purpose under normal development scheme, without limitation of target date to residence of students of *government / aided school* who are attending SSLC examination subject to following conditions

1. The application for service connection shall be in the name of father / mother of the student who is attending SSLC examination in the school year (2010 – 2011)
2. The application shall be for electrifying the residential building where the student is normally residing
3. Certificate, in the format given in Annexure, issued by the Principal / Headmaster / Headmistress of the school where the student is studying, confirming to (1) & (2) above shall be insisted upon to ascertain the bonafides of the application.
4. Only single phase connection shall be given.

Public Relation Officer, KSEB shall arrange to issue press release accordingly.
