

Kerala State Electricity Board

Abstract

Revising Target Date for Service Connections - Sanctioned - Orders Issued

Distribution Profit Centre

BO (FM) (Genl) No 1885/2010 (DPC II/AE/Target.01/2009) Dated Thiruvananthapuram, 21.07.2010

Read: 1 BO (FM) (Genl) No 270/2010 (DPC II/AE/Target.01/2009) dated 28.01.2010
2 BO (FM) (Genl) No 923/2010 (DPC II/AE/Target.01/2009) dated 08.04.2010

Order

The existing target date for Normal Weatherproof and Overhead Service Connections are 31.03.2010 and 30.09.2010 respectively. Only 9335 targeted overhead service connections are pending.

On review, it is noted that only few Electrical Circles viz Kozhikode, Kalpetta, Manjeri, Kasargode, Tirur, Sreekandapuram and Vadakara lag considerably in achieving the present target. During the Demands Day Discussion held on 15.07.2010, Honourable Minister for Electricity gave assurance that the target date of normal overhead service connections will be revised.

Board after considering the issue in detail, hereby orders to revise the target date of normal weatherproof service connections to 30.06.2010 and that of overhead service connections to 31.03.2010.
